

Dear guests,

We hope you are all well and that the new year has got off to a good start!

However, with the new year also came some not-so-good news - as announced, VAT for the catering industry has now been increased again. Unfortunately, we are no exception in the industry and are also affected by this regulation and have to adjust our prices slightly accordingly.

Despite this unfortunate news, we would like to assure you that we will not simply blindly pass on the increase in VAT of min. 12% and the resulting additional costs to you.

We have decided to only partially pass on this burden to you to minimize the impact on your culinary experience.

Our top priority remains the quality of our dishes so that you can continue to enjoy your dining experience with us! We have been working on our recipes and our standards for a long time and promise you that we will not cut any corners - for your sake and the sake of our hearts and soul!

Despite these challenges, we are very much looking forward to remaining your culinary companion and continuing to serve you the best avocado dishes in town.

Your support and love mean a lot to us and we hope you understand these changes.

Thank you so much for all your love.
